

The logo for Elite Installations features a yellow starburst graphic behind the word "Elite" in a bold, blue, serif font. Below "Elite", the word "Installations" is written in a larger, bold, blue, serif font.

Elite Installations

ELITE INSTALLATIONS is one of the leading non-union exhibit installation firms in the greater Philadelphia, Delaware and Southern/Central New Jersey areas. We have been handling installation of trade show booths for many years and can handle everything from storing your booth, shipping to and from the show, and setting up and taking your booth back down again.

- Years of experience ensure that our installation crew is familiar with your products and systems.
- We will work closely with HOPPER EXPOSITIONS and AETA INTERNATIONAL exhibitors to make sure all your needs are met and taken care of in the most efficient and professional way.
- We offer warehousing to save you money....do not ship your booth back and forth from show to home warehouse to show site for each market.

Our warehousing facility is located Southern New Jersey less than 30 miles from the Greater Philadelphia Expo Center show site.

I would like to thank you for considering **ELITE INSTALLATION SERVICES** and we look forward to working with your company during future AETA INTERNATIONAL markets.

Sincerely,

Al Rossi
President
